# Introduction

01

## Who Are we?

Care Labs is a global leader in **Power Systems Engineering, Compliance, and Risk Management**. As a company with a presence in over 50 countries, our brand represents trust, expertise, and innovation in the industry. This document serves as a comprehensive guide to maintaining a consistent and professional brand identity across all platforms, including websites, social media, and marketing materials.

A strong and unified brand ensures that our messaging remains clear, our visual identity stays recognizable, and our reputation as a leader in the industry continues to grow. Whether designing digital assets, printed materials, or internal communications, these guidelines provide a foundation for a cohesive and impactful brand presence.

## Our Vision

To revolutionize power systems worldwide by **delivering smart, safe, and sustainable electrical solutions**. We envision a future where businesses operate with energy efficiency, regulatory excellence, and digital intelligence—empowering industries to thrive with zero downtime, optimized performance, and a commitment to environmental responsibility.

## Our Mission

Redefining power systems with innovation, precision, and sustainability. At Care Labs, we engineer **smarter, safer, and future-ready electrical solutions**—ensuring businesses operate with efficiency, resilience, and zero compromise.”

## Core Values

**Safety. Innovation. Sustainability.**

*(Prioritizing risk-free, smart, and eco-conscious power solutions.)*

**Reliable Power. Limitless Possibilities.**

*(Ensuring zero downtime and seamless operations worldwide.)*

**Customer First. Future Focused.**

*(Partnering with industries to create tailored, intelligent electrical solutions.)*

**Integrity. Precision. Excellence**

*(Unbiased expertise, engineering accuracy, and top-tier execution.)*

**Smart Solutions. Sustainable Impact.**

*(Merging AI, energy efficiency, and compliance for future-ready systems.)*

# Logo Usage

02

Primary  
Logo

- The Care Labs logo is a text-based logo using the Ennis Pro font.
- The primary logo consists of "care" in blue (#2575B6) and "labs" in orange (#F15C30).
- It should always be displayed with proper spacing and proportions.

## Primary Logo

## Logo Variation

- A monochrome version may be used when necessary (black or white).
- Do not stretch, distort, or alter the logo colors.

The Care Labs logo in its standard color format, with 'care' in blue and 'labs' in orange.

Color

The Care Labs logo in its standard color format, centered on a dark navy blue rectangular background.

Color (Dark BG)

The Care Labs logo in a monochrome dark navy blue font, centered on a white rectangular background.

Monochrome Color (White BG)

The Care Labs logo in a monochrome white font, centered on a black rectangular background.

Monochrome Color (Black BG)

The Care Labs logo in its standard color format, centered on a white rectangular background.

Color (White BG)

The Care Labs logo in its standard color format, centered on a black rectangular background.

Color (Black BG)

The Care Labs logo in a monochrome dark navy blue font on a white background.

Monochrome Color

The Care Labs logo in a monochrome white font, centered on a dark navy blue rectangular background.

Monochrome Color (Dark BG)
